C/o JEM Foundation

Education Office, Jamshedpur Utilities & Service Company Ltd., Sakchi, Boulevard Northern Town, Jamshedpur

Message

Mr. Tarun Daga
Chairman, JEM Foundation

Mrs. KMPM Vocational College has been carved out of a need to educate & train students of Jamshedpur for professional excellence and success. The future possibilities of any nation are manifested through its youth. Education of this generation is the critical key to unleash this possibilities. Development and sustainability stand on the solid bedrock of equity of access to knowledge and skill enhancement. JUSCO India's only comprehensive urban infrastructure service provider, has always acknowledged the significance of education in the development and empowerment of communities. As a company that envisions providing best value infrastructure and utility services and delivering Quality Service for life recognizes that these assurances cannot be fulfilled if it does not simultaneously partner in the national agenda of EDUCATION FOR ALL.

JUSCO Education Mission Foundation is the manifestation of this recognition and deeper understanding of sustainability challenges facing the corporate sector.

Through Mrs. KMPM Vocational College, a unit of JEM Foundation, we aim to provide an opportunity where the youth of Jamshedpur can prepare themselves to enter the growing Indian workforce and create an impact with their professional excellence.

I welcome you to be a part of this Institute to learn & grow and unleash your true potential.

The future is yours because you have chosen to create your own destiny.

Message

Mrs. Ruchi Narendran
Managing Trustee
JEM Foundation

Mrs. KMPM Vocational College has come into existence 10 years ago in the year 2010.

Ever since its inception this college has been a beacon amongst the various educational Institutions under JUSCO Education Mission Foundation.

We have a vision to educate students for professional excellence and success. We have endeavored to provide an opportunity for the youth of Jamshedpur to create an impact in the Indian corporate scenario by exhibiting values like integrity responsibility and environmental consciousness.

Creating new objectivity willingness to accept challenges will remain a focal point of a dynamic and up growing college. Since its inception this college has been working in the direction of spreading higher education in Jamshedpur. We have focused on the development of all communities of societies specially.

We are sure this college will expand with many more courses and serve the growing needs of the students of Jamshedpur.

“By education I mean all round drawing out of the best in child and man mind, body and spirit.”
- Mahatma Gandhi

Message

Mr. A. F. Madon
Administrator
JEM Foundation

Mrs. KMPM Vocational College began its journey in the month of July 2010. It has been 10 years since its inception and 8 batches of students have already passed out from this college.

This college was started with a view of providing higher education in Jamshedpur. The four courses with which the college started were precisely aimed to meet the needs of emerging India. To provide education to such students base, operational and strategic skills are essential. It will help in the era of knowledge transformation.

We must spare time for interaction with one another, exchanging views and thoughts for innovations through knowledge network. This would help to resolve various issues relating to quality teaching.

“We want education by which character is formed strength of mind is increased intellect is expanded and by which one can stand on its own feet.”
- Swami Vivekananda

Message

Dr. Meeta Jakhanwal
Principal

“Education is the manifestation of perfection already existing in man.”
- Swami Vivekananda

Youth, the future of our nation needs to be morally upright and professionally sound. It is with this objective Mrs. KMPM Vocational College came into existence in July 2010.

Mrs. KMPM Vocational College has an eco-friendly campus and is well equipped with state of art infrastructure. We have well equipped computer labs and other laboratories for Physics, Chemistry, Botany & Hydraulics.

Industrial Visits, On-job-trainings & projects are scheduled to help students attain highest standards in academics & professional skills. We aim at creating all rounded personality in our students-professionally, socially & morally.

The college offers the following seven 3 year degree courses (Hons.) affiliated to Kolhan University, Chaibasa.

1. Bachelor of Business Administration
2. Bachelor of Computer Application
3. Bachelor of Science in Information Technology
4. Bachelor of Science in Environment & Water Management
5. Bachelor of Science in Mathematics (Hons.)
6. Bachelor of Science in Chemistry (Hons.)
7. Bachelor of Commerce (Hons.)

In a very short span, the college has been able to carve a niche for itself in academics, sports & cultural fields. All this has been possible with the dedicated and strenuous efforts of our Managing Committee and whole hearted co-operation of our experienced faculty.

I am sure that the college will scale greater heights with their unstinted support translating the Vision, Mission & Values - 'Our Dreams' into Reality.

I pray for the future growth & prosperity of the college & wish Management, Staff & Students all success in the year to come.

About JEM FOUNDATION

BOARD OF TRUSTEES

Chairman

Mr. Tarun Daga

Managing Trustee

Mrs. Ruchi Narendran

Honorary Treasurer

Mr. Manish Agarwal

Trustees

Dr. (Prof.) Sharad Sarin

Dr. Jitu Singh

Administrator

Mr. A. F. Madon

JUSCO Education Mission (JEM) Foundation, a registered Trust was established by Jamshedpur Utilities and Services Company, in fulfillment of the objective of increasing educational access for the local population by establishing and operating, educational and vocational institutes of excellence.

Since its inception, the Trust has earnestly executed its mandate of ameliorating the quality of life of the communities through education. The main focus of the trust is to promote formal education from pre-school to professional stage through the establishment and management of educational institutions. The Trust has been initiating, maintaining and operating institutions that are aligned to national education objectives and create opportunities for students and trainees to improve their academic, technical and professional knowledge and skills.

Educational services offered by the Trust span requirements of pre-school children, primary and secondary grade students, on under-graduate and graduate students seeking professional, industrial and vocational education as well as training needs of working professionals.

Vision

Educate and train student for professional excellence and success.

Mission

Provide an educational environment that promotes:

Academic Excellence through application based learning.

Industry relevant curriculum.

Personal development and quest for excellence.

Indian values and responsible citizenship,

Values

Our students will be recognized for their :

Values

Responsibility

Social and Environmental consciousness

The College

Mrs. KMPM Vocational College is envisioned as a multi disciplinary institute offering degree, diploma and certificate programmes, in industry related vertical under the heads of Business and Industry Services, Information Technology, Education, Healthcare, Hospitality and Education.

The college aims to prepare students to enter the economic workforce, in industry sectors that have high growth and high absorption capacity.

Along with University curriculum, students will be offered extra credits with industry certification in specific areas to enhance their placement value.

An accomplished faculty selected for their academic record and work experience will guide and mentor students through their academic journey and quest for knowledge.

In addition students will be regularly exposed to industry experts for deeper and practical understanding of professional competencies required for success.

The Infrastructure

On Main Road Bistupur, in the heart of the steel city, nestled in five acres of green cover, the college is a landmark with its period red brick buildings.

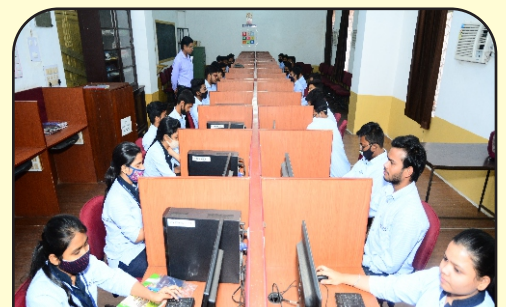

The college has technology enabled spacious classrooms with individual student seating. A state of art computer lab with TFT machines and high capacity server have been set up to provide the best practical training facility for the students. The college offers library facilities both within the premises and outside to ensure students have access to vast reference pool. In addition the college has adequate games and recreation facilities to ensure that students have outlets for both their physical and creative energies.
