

How to Improve Study Habits

1. Take a positive attitude towards your studies and work wholeheartedly to attain your set goals. Never leave your task for tomorrow.
2. Understand the subject matter and organize it in a logical sequence. Get all doubts clarified in the classroom itself.
3. Develop the power of concentration.
4. Learn to utilize your leisure period properly and usefully.
5. Each time you revise, fix a definite portion as a target to be completed.
6. Do not be a slave to your moods. Follow the daily time table for study. Discipline and regularity are the stepping stones to success.
7. Your mistakes are new lessons for success.
8. Your three friends at the time of examination are : Good handwriting, Correct Spelling and Dependable Memory.
