Words of Encouragement

"Coming together is a beginning; keeping together is progress; working together is success." - Henry Ford

Dear Mrs. KPMVC team and all the well-wishers,

It gives me great joy to address you through this edition of our college bulletin. The quote above beautifully encapsulates our mission at Mrs. KMPM Vocational College: to empower young minds with education that not only transforms their lives but also impacts the world around them.

As the Managing Trustee, I am proud of the strides our institution has made in fostering excellence, innovation and social responsibility. From achieving NAAC accreditation and ISO certification to gaining AICTE approval for programs like BBA and BCA, we are constantly evolving to meet the dynamic demands of education and industry. Our recognition as a SWAYAM-NPTEL Local Chapter and our collaboration with the IIRS-ISRO Outreach Program are testaments to our commitment to providing our students with access to cutting-edge learning opportunities and emerging fields of knowledge.

Beyond academics, we have taken meaningful steps to promote sustainability, gender equity, and community engagement. Initiatives like, e-waste management, panel discussion on gender inequality and activities under the Rotaract, NSS units & YUVA Cell highlight our efforts to instill values of responsibility and leadership in our students.

This bulletin is a celebration of the creativity, achievements and aspirations of our college community. It reflects the collaborative spirit and relentless pursuit of excellence that define Mrs. KMPM Vocational College.

I deeply appreciate the dedication and efforts of our students, staff, parents and alumni. Together, you help us turn our shared vision into reality, making our institution a place of growth and excellence. Let us continue to aim higher, build a brighter future and uphold the legacy of this institution as a beacon of knowledge and inspiration.

Best Wishes.

- Mrs. Ruchi Narendran (Managing Trustee, JEM Foundation)

"The future belongs to those who believe in the beauty of their dreams." - Eleanor Roosevelt

Dear Students, Staff members, Parents, Alumni and Well-wishers,

It is with immense pride that I address you through this bulletin, which celebrates the achievements, growth, and aspirations of Mrs. KMPM Vocational College. Our institution is a reflection of our collective dream to provide an education that empowers students to achieve their full potential and contribute meaningfully to society.

Over the years, we have achieved remarkable milestones, including NAAC accreditation, ISO certification, and AICTE approval for innovative programs such as BBA and BCA. Our recognition as a SWAYAM-NPTEL Local Chapter has opened doors for students and faculty to access top-tier online courses. Additionally, our partnership with the IIRS-ISRO Outreach Program enables students to explore advanced knowledge in space science and geospatial technology, preparing them for emerging career opportunities.

We are equally committed to fostering values such as sustainability, inclusivity, and social responsibility. Initiatives like e-waste management, panel discussion on gender inequality and community engagement through Rotaract, NSS activities & YUVA Cell exemplify our dedication to holistic development and societal well-being.

I extend my heartfelt gratitude to our faculty, staff, students and all stakeholders for their dedication and support. Your contributions have been invaluable in achieving the progress we celebrate today.

Let us continue striving for excellence, embracing opportunities for growth and shaping a future filled with success and innovation.

Best wishes.

- Mr. A. F. Madon (Administrator, JEM Foundation)

From the Principal's Desk...

Dear All,

As we embark on a new academic year, I am filled with excitement and anticipation for the opportunities that lie ahead. Our college has a long tradition of excellence, and I am committed to ensuring that we continue to provide a world-class education that prepares our students for success in an ever-changing world.

We have many plans and initiatives underway, from new academics programs to enhanced student services and we are confident that these will help us to continue to thrive and grow as a college community.

Our Annual Newsletter Bulletin, projects the important events celebrated, the activities done and achievements earned in the college. I am delighted to present this year's 'BULLETIN' to all of you.

To our students, I offer these words of encouragement: never stop exploring, never stop learning, and never stop pushing yourself to be your best self. Take advantage of the many resources available to you on our campus, from academic advising and counseling to research opportunities and extracurricular activities.

Don't be afraid to take risks and try new things - it's often the biggest risks that lead to the greatest rewards.

To our faculty and staff, I express my deepest gratitude for all that you do to support our students and advance our college's mission. Your dedication, expertise, and passion for teaching and learning are what set our college apart, and I am honored to work alongside such a talented and committed team.

Once again, I would like to thank everyone who has contributed to the success of our college. I am honored to be a part of this community, and I look forward to seeing the amazing things that we will achieve together in the years to come.

In closing, I offer my best wishes to each and every one of you for a successful and fulfilling academic year.

Let us work together to make our college a place where everyone can thrive and reach their full potential.

"We are what we repeatedly do. Excellence, then, is not an act, but a habit." - Aristotle
